THE JAMA'ATS

The Central Virginia Jama'at and Northern Virginia Jama'at are home to Masjid Mubarak. By the Grace of Allah, both Jama'ats have significantly increased in size (NVA is now over 500 members and CVA is over 800 members). Therefore the needs of the Jama'at have increased as well. The Mosque hall extension will help to meet these needs Insha'Allah.

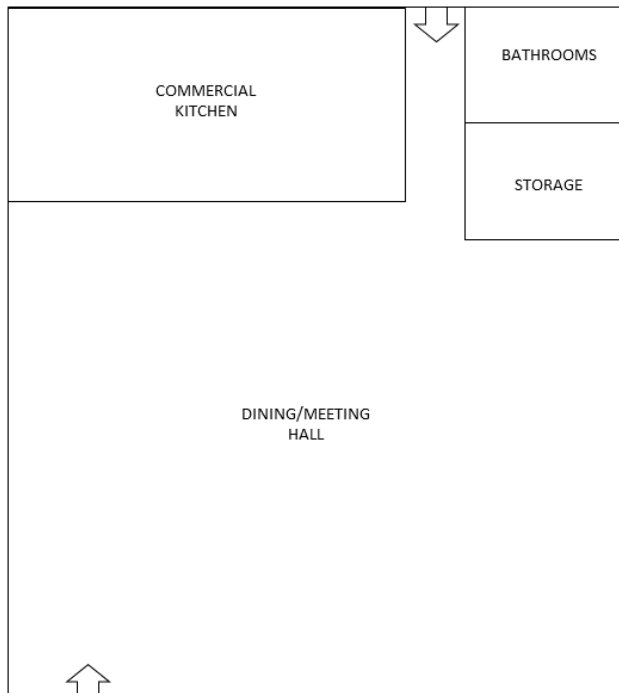

THE PROJECT

Masjid Mubarak was built in 2012 and the original plans included a hall extension. Due to limited funds, the hall extension could not be built as part of the original construction. With a significant increase in Jama'at membership along with the growing needs of the Jama'at, the hall extension project is long overdue. Following are the key features of the proposed hall extension:

- Commercial kitchen
- Multi-purpose hall (including basketball court)
- Dining hall
- Classrooms

CALL TO ACTION

Our goal is to raise \$500k before the end of 2021 so that we can start construction. Even though we are working with the builder(s) to get an accurate total cost, we estimate that another \$500k-\$700k will be needed to complete the construction. At this time, we are asking members to:

- Pray for the success of this project
- Contribute towards the \$500k target so that we can start the construction
- Ask your family and friends to also participate in this blessed scheme

If everyone participates in this project, we should be able to meet our goal Insha'Allah. Your help is needed to make the mosque hall extension project a reality.

Please start TODAY by entering your pledge at tinyurl.com/hallpledge (or submit the form on the back) and make a partial payment.
